Our Story!

With over 30 years in the hotel & hospitality industry, we took the big step to chase the dream of opening the first all Sri-Lankan restaurant in the North of England, opening Ayubowan Restaurant in 2013 in Glossop, Derbyshire.

The restaurant over the 8 years has been awarded several local and national awards, and been included in articles such as the Times Newspaper as a featured restaurant.

Colombo by Ayubowan Sheffield is our first cocktail bar concept with Sri Lankan restaurant dining on the upper floor, located in the heart of South Yorkshire England, in Sheffield's trendy Ecclesall Road which opened in June 2019, and has become well known in the area for its delicious cocktails and tasty Sri Lankan street food.

As a family run business with deep ties still in the homeland of Sri Lanka we were more than excited to have the opportunity to open our first restaurant in Kottawa.

In this restaurant we want to explore the tastes of the world and give them that all important Sri Lankan edge which is the heart and foundation of all our restaurants.
